XCM HERZEGOVINA**
Nature park Blidinje

Association "Herzegovina Bike" was founded on February 8, 2013, as a response to the need for a comprehensive promotion of cycling in Herzegovina. The aim is to bring together all relevant cycling enthusiasts and cycling clubs, with the goal of collectively branding Herzegovina as a desirable region for cycling. Ultimately, this effort contributes to the popularization and mass adoption of cycling, while also creating the conditions for the development of cycle tourism. In recent years, cycle tourism has been on the rise in Europe and worldwide, becoming an increasingly important tourist industry.

PROJECT OVERVIEW

The Blidinje Bike Festival is a unique cycling experience that takes place over a weekend in July in the Blidinje Nature Park. In the year 2025, we will witness the 7th edition of this festival, and the organizers have elevated the event to new heights! Therefore, it's not surprising that the interest in participation is the highest to date.

In 2025, the “**Continental Blidinje Bike Festival**” is included in the Union Cycliste Internationale (UCI) calendar and achieves the status of a UCI Class 1 event. Additionally, within the “Continental Blidinje Bike Festival” in 2025, the Balkan Championship will be held, where athletes from 12 Balkan Federation countries will compete for the title of Balkan Champion.

THE VENUE

The Blidinje Nature Park is one of the most beautiful natural areas in Bosnia and Herzegovina, and this stunning gem of Herzegovina should be on your travel list. Covering around 360 km², this incredibly rich and biologically diverse park is situated in the heart of the Dinaric Alps in the northern part of Herzegovina. Almost half of the park is covered by forests, and due to its rich biodiversity, the entire area was recognized and protected as a Nature Park in 1995.
